Deb (Ragdoll Breeder) - Helensburgh - (Large Corner Mesh Outdoor Hammocks, Corner Canvas Hammocks, Carpet Rectangle Hammock Stand, Indoor Rectangle Hammock, Hooks) - Just thought I'd let you know that the hammocks and stand we ordered are a huge hit with the cats- they love them. They are so well made and easy to set up. I am so glad I found your site. Thanks so much again, kind regards, Deb

Carolyn Trotter - Sydney North Shore - (Indoor Rectangle Hammock) - The hammock is a huge hit and is doubling as a trampoline. I should try to video the trampolining.. one of them is on top of the hammock and the other one is underneath trying to knock the other off... it is hilarious.
